## 1.Air Booking Guide

ADX air itineraries are compared against 200+ contracts to build you an intuitive list of options with commissions. This air flow will take you from quoting to multi options to booking to ticketing, all in one platform. Booking ADX Air builds beautifully crafted comparisons and client itineraries as well as records commission automatically for reporting and finance payouts.

- All air itineraries are compared against our 200+ contracts to build you an intuitive list of options with commission
- Search Sabre and Amadeus inventory
- Net fares with mark-up opportunity available
- Air team support is a single click away
- Build side by side comparisons of up to 4 different itineraries
- Automatic invoicing for commission tracking
- Split credit card option when multiple tickets are sold

#### 1.1. AIR COMPARISONS

You can search multiple options for air and build an air comparison of up to 4 different itineraries on one client document. You can search multiple options for air and build an air comparison of up to 4 different itineraries on one client document. Air comparisons can be sent directly from ADX or downloaded as a PDF.

#### 1.1.1. Create Multiple Searches

After you run your first search, press the + button at the top of the page BEFORE you press quote, to run your 2<sup>nd</sup>, 3<sup>rd</sup>, and 4<sup>th</sup> searches. Each search option will show in a tab at the top of the page. You can remove any unneeded option by pressing the x in the search box. Once you have all the options built, press the QUOTE ALL button at the bottom of the page to save all the options and send your client the air comparison document. Air Comparisons can be created using both the regular air search as well as direct sell.

#### 1.1.2. Access the Air Comparison

Once you have more than one air service on a single ADX reference, you will see a COMPARE button at the bottom of the reference page. This document will be a side-by-side comparison of the air options that you have captured. This document can be customized by adding client information, branding banners on the profile page, as well as adding extra notes. This document can be sent directly out of ADX or downloaded.
