## HOW TO USE AFFILIATE LINKS

- 5 Select your name. It is the only way to track sales made by a specific individual agent.

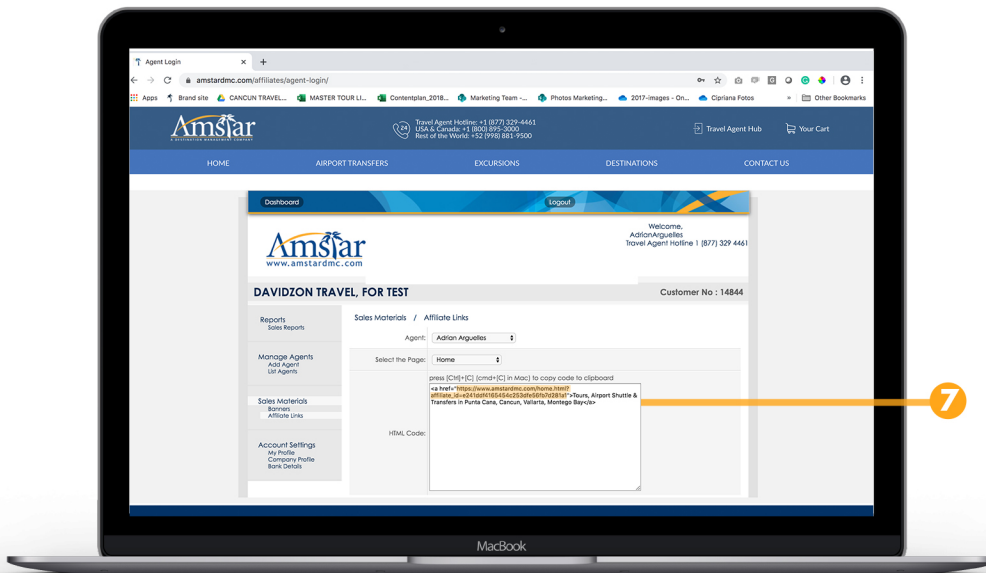

- 6 You can choose the link to take the client to different pages, so please select the page you desire:

## HOW TO USE AFFILIATE LINKS

- 7 In the **Select the Page** field, if you choose **Home**, **Airport Transfer** or **Tours and Activities**, simply copy the link and paste it into your emails and documents:

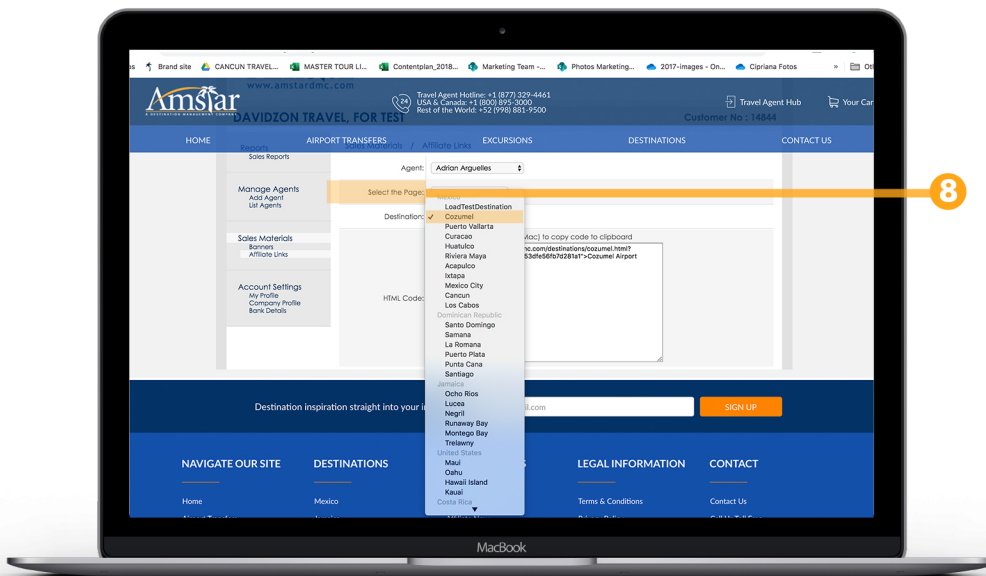

When copying ANY link, it is very important that you select and copy ONLY between the quotation marks "**xxxxx**", see example below:
