*Thank you for choosing Sunny's Worldwide Chauffeured Transportation!*

Sunny's is one of the largest executive transportation providers globally, serving numerous Fortune 500 corporations, including the nation's top law firms, media and consulting groups. We have been in business for over twenty years, and our satisfied client base is constantly expanding, due to our reasonable rates and flawless, reliable service. We are always on time, and if our driver is even one minute late, the entire ride is free!

### *The Sunny's Difference:*

- **If your driver is one minute late, the entire ride is FREE!**
- **We are a One Stop Shop**, serving over 550 cities nationwide and worldwide, offering 24/7 reservations and dispatch through one centralized number
- **Professional Chauffeurs:** Sunny's Corporate Employees, highly trained, uniformed and alcohol/drug tested
- **Comprehensive In House Fleet** includes: sedans, SUVs, hybrids, "stretches," luxury vans and executive buses
- **Brand New Vehicles**, replaced every 2-3 years
- **Amenities** include: beverages, newspapers, mints and magazines
- **Automated Email** with driver's contact information sent to passenger when driver arrives
- **Precision GPS** allows us to track the exact location of every vehicle
- **VIP Profile System:** saves client data and streamlines reservation process
- **Online Booking** capability

### *Latest Technology Improvements:*

**Comprehensive Systems Upgrade**, new features include:

- Centralized Reservation Platform for all booking channels: Call Center, Mobile, Web, GDS, CBT
- Automated wait time, tolls and parking entry, based on GPS tracking
- Automatic location based alerts to passenger and/or booker, including 10-minute out alerts based on current traffic conditions, automated call outs and driver on scene emails/texts
- Track your VIPs ride status and progress in real time via secure internet portal
- Near limitless account customization to suit your specific requirements, from reservations to rides and billing

### *Groundbreaking Sunny's App, featuring:*

- ETAs for "right away" bookings
- Future reservation capability
- Instant reservation confirmation
- Elegant, "user friendly" interface: allows booking in under a minute; easy reservation modification
- Real-time ride status updates and driver/vehicle tracking on map
- Driver's name, picture and cellphone number visible to client from time of dispatch
- Fully customizable client profiles
