Safety is top of mind, always.

#FlySafeFlyLOT

# COVID-19: Our actions during the pandemic

*LOT Home Flight* is what made us famous:

- the biggest operational venture in the history of Polish aviation
- 388 special charter flights took 54,000 Polish citizens back home; 71 cities in 51 countries across 6 continents

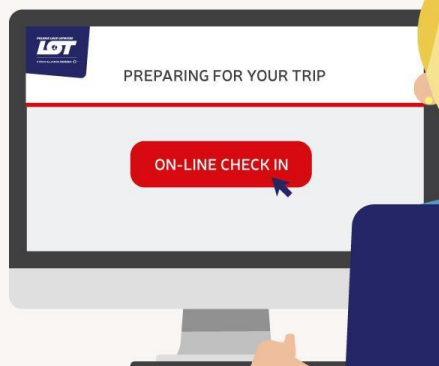

#CARGOdlaPolski (CARGO for Poland) is what makes us proud. LOT Cargo decided to launch International flights to help companies and organizations delivering medical goods essential to fight coronavirus.

In order to  
minimize direct contact,  
we recommend **checking-in online**  
at **www.lot.com** or by using **our app**.

ONLINE CHECK-IN **24H**  
BEFORE DEPARTURE

**Wearing masks is  
mandatory.**

The aircrafts are  
**regularly disinfected.**

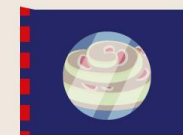

**Newest HEPA Filters installed.**

Passengers have access  
to **antibacterial wipes**  
and **gels** throughout the flight.

Drinks and snack  
will be distributed  
**in individual packaging.**

**Only cashless payments  
are accepted.**

A STAR ALLIANCE MEMBER

# Warsaw Airport experience

**Warsaw Chopin Airport** is modern and efficient; a great alternative to huge, crowded airports in Western Europe

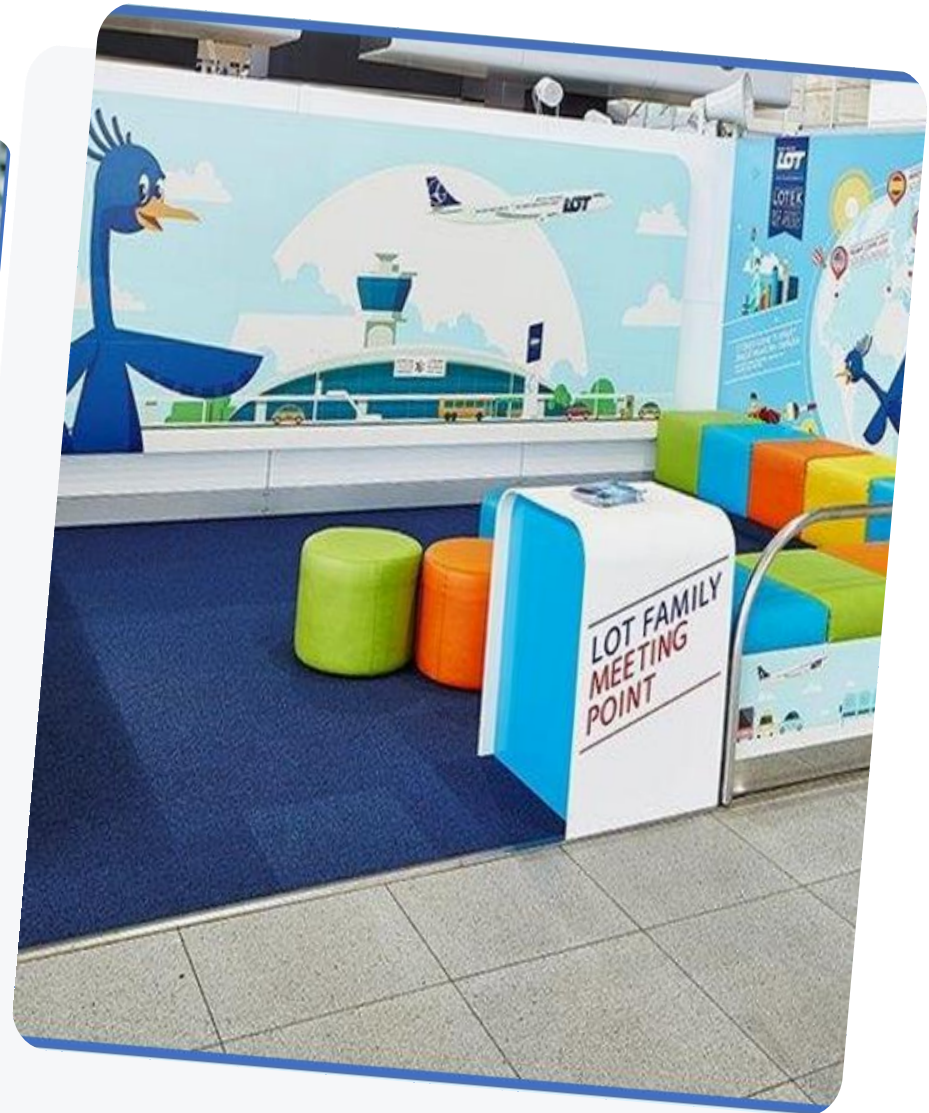

- 30 min MCT- one of the shortest time in Europe
- Modern, spacious and comfortable new terminal
- 40% more transfer opportunities due to recent reconstruction
- Capacity to handle 20 million passengers per year
- Closely located to the WAW largest business and office centers
- LOT Business Lounge Polonez and new Business Lounge Mazurek
- 16 LOT Economy Class check-in counters
- 10 LOT Business & Premium Economy Class check-in counters
- 3 Family and 1 Special Assistance check-in counter

# Children zone – Family Check-in

## Check-in zone for families with children

- Dedicated check-in desks
- Dedicated Meeting Point for families

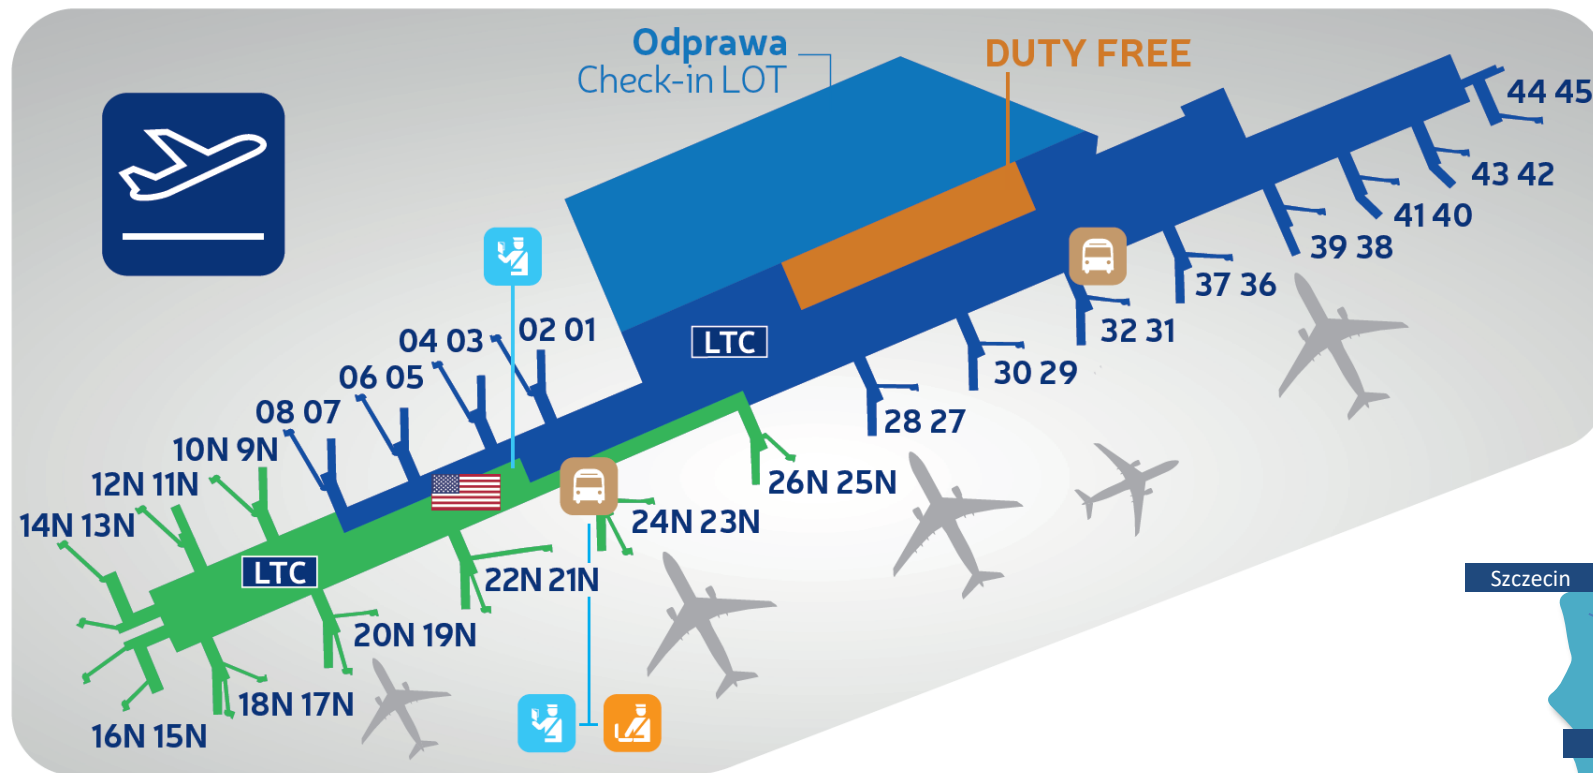

## 'Mazurek' Business Lounge

# Transit at WAW airport

Kontrola paszportowa |  
Passport control

Kontrola bezpieczeństwa |  
Security check

Strefa Non-Schengen |  
Non-Schengen Zone

Obowiązkowy punkt weryfikacji |  
Mandatory interview point

**LTC** LOT Transfer Center

Thanks to our well-planned network and convenient size of Warsaw Chopin Airport, transit at LOT's main hub airport is quick, easy and **limited to only one terminal**.

## Poland: domestic flight network

# Current domestic flights network

We have resumed domestic connections to help passengers travel across Poland:

- Bydgoszcz
- Gdansk
- Katowice
- Krakow
- Lublin
- Olsztyn
- Poznan
- Rzeszow
- Szczecin
- Warsaw
- Wroclaw
- Zielona Gora

Our preferred equipment for long haul flights

LOT'S B-787 DREAMLINER WALKTHROUGH VIDEO

**LOT Premium Economy**

**LOT Business Class**

# BOEING 787 DREAMLINER

We are **the first European airline to fly** the state-of-the-art aircraft: B787 Dreamliner

- Wide and spacious cabin
- separated Economy, Premium Economy and Business class compartments
- large windows (approx. 30% larger than other airlines) with personal light-blocking system
- changing LED lighting to reduce jet-lag tiredness
- 8% more oxygen, higher humidity, better air filtration and more natural pressure resulting in higher comfort
- quiet, eco-friendly engines and structure, emitting 60% less noise and lower fuel consumption

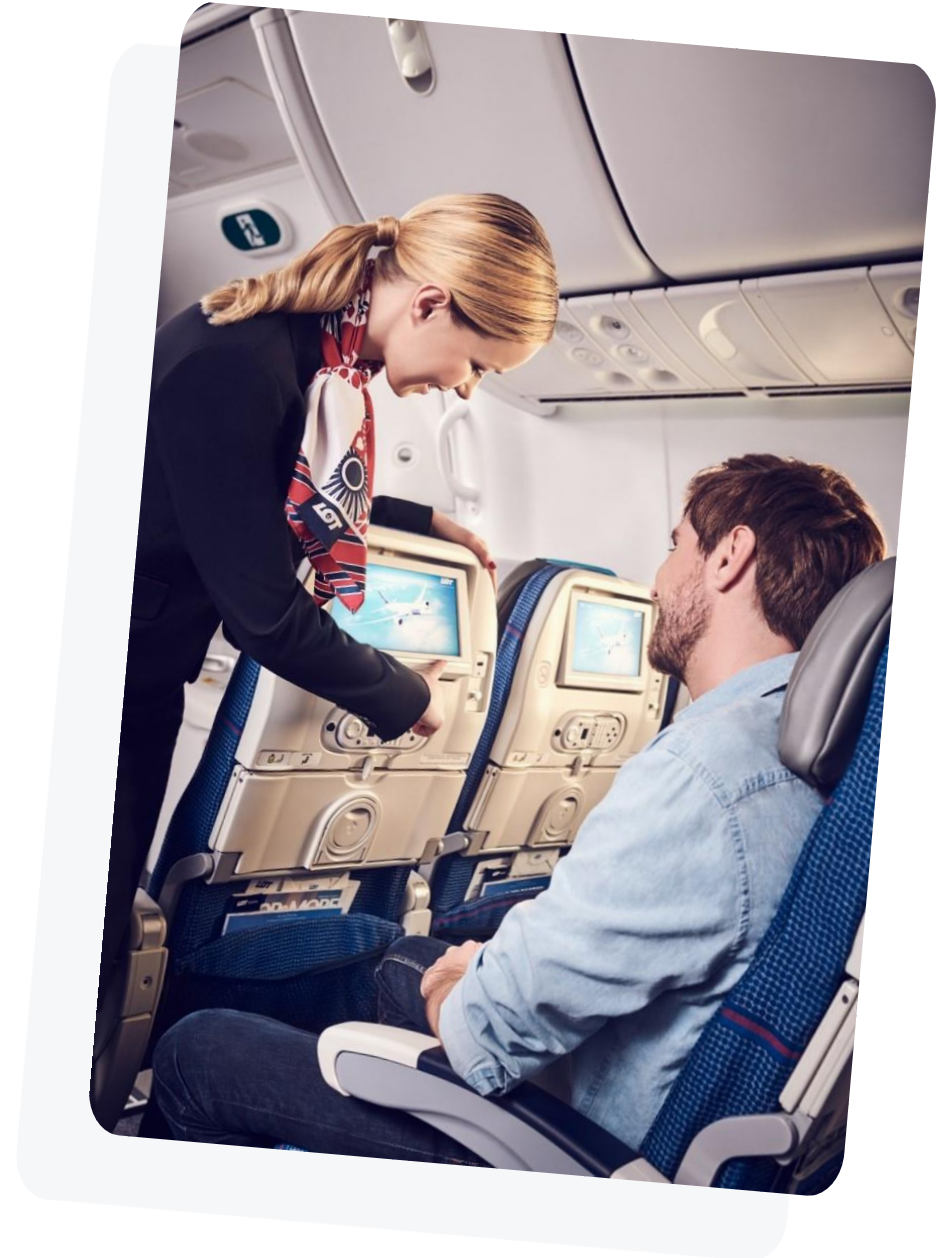

# LOT Economy Class

Great service at an unbeatable price, **fly Economy Class on LOT's Boeing 787 Dreamliner**

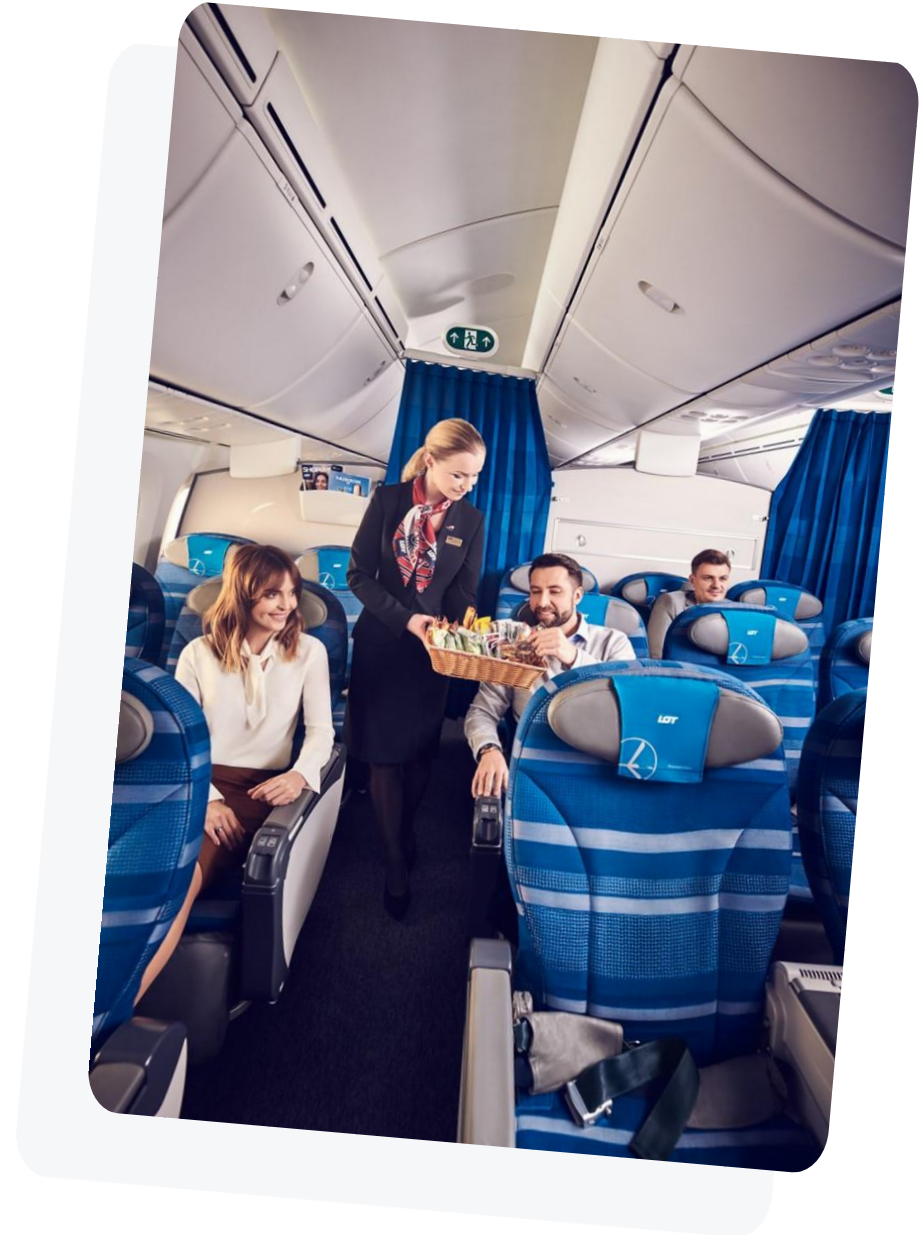

- 3 x 3 x 3 seat configuration; 249 seats on B787-9, 213 on B787-8
- personal entertainment system with variety of movies, TV series, games and music
- USB port and power plug at each seat
- complimentary meals and beverages, including alcoholic drinks (beer and wine)
- 1 piece of carry-on baggage and 1 piece of checked baggage, except SAVER fares

# LOT Premium Economy

Extra leg-room and delicious cuisine at a great value. **Fly Premium Economy on LOT's Boeing 787 Dreamliner**

- 2 x 3 x 2 seat configuration; 21 seats
- separate and spacious cabin with seats featuring 132 degree recline, 19.5" seat width and 42" pitch
- 2 pieces of carry-on baggage and 2 pieces of checked baggage allowance
- priority check-in, priority boarding and baggage delivery
- 10.6" LCD in-flight entertainment screen with USB port and power plugs at each seat
- upgraded and exclusive menu with wide variety of alcoholic beverages, soft drinks and snacks
- amenity kit

# LOT Business Class

Discover our highest level of comfort: our **award-winning Business Class on LOT's Boeing 787 Dreamliner**

- 2 x 2 x 2 seat configuration; 24 seats (18 on B787-8)
- Exclusive cabin seating with fully reclining seats
- 2 pieces of carry-on baggage and **3 pieces of checked baggage (up to 70 pounds each)**
- 23" seat width and 78" seat pitch
- 15.4" in-flight entertainment screen with USB port and power plugs at each seat; Amenity kit
- Exclusive menu options with upscale restaurant level service and a wide variety of alcoholic beverages, soft drinks and snacks
- Priority check-in, fast track, priority boarding and baggage delivery
- Business Lounge access at airports

# DESTINATION ECO initiative

We feel socially responsible to take care of the environment. At LOT, we take the issue of environmental responsibility very seriously, which is why we are actively introducing many diverse initiatives that are aimed at supporting our ecosystem.

Our environmental program includes:

- CO2 emissions reduction
- CO2 compensation
- Single European Sky initiative
- Sustainable products and services
- Green Office certification
- Education
